ORDER FORM

To order, please complete the form below

Post and packing have been listed as 3 separate prices dependant on where you live – ie UK, Europe or Rest of World. I hope this makes it easier for you to work out your total costs.

NB Would you please include in the 'Price' section of the form the total cost of the item ordered (to include selling price plus post & packing for your area). The 'Total Price' section will be times the quantity ordered.

ALSO If you are ordering a number of items, contact me first by email so that I can work out a bulk post & packing price - which will be much cheaper than the individual costs quoted on this list.
